NOTES

1. Subject to improvement or modification without notice.
2. Approximate.
3. The ID Excel disassembles to fit into an optional carrying case measuring approximately 6"x 21" x 15".
4. The ID Excel is a motion detector in the All Metal and Target ID modes. The search coil must be moving at least slightly to detect a target.
5. For maximum performance and battery life, always use Alkaline Batteries.
6. ESI: Electro-Static Insulated to eliminate certain types of false signals.
